

# Newcastle 500 Supercars Banlaw Open Day Event

If you are in Newcastle for the Supercars this month, then come on down to Banlaw and join in the action!

Banlaw will be hosting an open day at our Newcastle Head Office, and all those locals interested in free high octane fun are invited to join us for the party. Special guest Richard Peasey, will be attending with the car he'll drive in the Toyota 86 Racing Series event.

John Hunter  
Children's Hospital

**Buy a raffle ticket for your chance to win a 2-day pass for 2 people to the Newcastle 500.**

All funds raised will go towards the purchase of new, life-saving equipment at the John Hunter Children's Hospital.

Fuelling Education  
in Torres Strait

**Bring your pre-loved children's books and drop them off at the event.**

Torres Strait schools and communities are starved for reading materials.

Banlaw, in collaboration with Australian Navy Patrol Boats will deliver your 2nd-hand books into remote communities. This will make a huge difference to Torres Strait kids, and the books will be truly valued.
