

A Banlaw End-of-Life Notice is used to inform Banlaw Customers of changes to the available product range and their replacement products where possible.

Banlaw’s discontinuation of this product line is a commitment to a program of continuous improvement, and where possible, will offer an upgraded product or solution to facilitate the transition.

Recipients of this Banlaw End-of-Life Notice may redistribute this document to their customers. Alternatively visit www.banlaw.com to view the entire list of Banlaw End-of-Life Notices.

This Product End-of-Life Notice has been created to announce the start date for the process of discontinuation for the manufacture and support of Banlaw’s HV Wired System. Overall, the wired system is being replaced with a **Wireless** system.

The following model/models/spare parts/software will no longer be available to order as declared in the below tables.

Note that listed replacements will perform the same function but may not fit directly into existing systems. Changes to existing hoses and similar may be required to use the replacement product. For further information discuss with you Banlaw sales representative.

Regions effected: **Global**
