

A Banlaw End-of-Life Notice is used to inform Banlaw Customers of changes to the available product range and their replacement products where possible.

This End-of-Life declaration is the result of the discontinuation of the Intel Atom® E3845 processor by Intel, which has subsequently resulted in the end-of-life announcement of the associated NEXCOM industrial computer VTC6210-BK.

Recipients of this Banlaw End-of-Life Notice may redistribute this document to their customers. Alternatively visit www.banlaw.com to view the entire list of Banlaw End-of-Life Notices.

This Product End-of-Life Notice has been created to announce the start of the discontinuation process for the supply of Part No# 000635A **“Computer, Fanless In-Vehicle, VTC 6210-BK, Programmed”**, used in Banlaw’s ResTrack Advanced Controllers Range.

While the affected hardware platform will no longer be available for purchase after the dates specified in this notice, Banlaw will continue to provide firmware, software, and technical support for existing installations in accordance with the support timelines detailed below.

The following products and associated firmware and software are affected by this End-of-Life declaration.

Regions effected: Global

Declaration	Definition	Date
End-of-Life Announcement	Product-End-Of Life Notice is distributed via email to customers and displayed on the Banlaw website.	8 th October, 2026
Replacement Pre-Order Date	The date Banlaw will allow customers to pre-order replacement product.	1 st April, 2027
