End of Life Notice ⚠
Banlaw Refuelling
Dry Break Receivers
800 Series BFT series Receivers

A Banlaw End-of-Life Notice is used to inform Banlaw Customers of changes to the available product range and their replacement products where possible.

Banlaw's discontinuation of this product line is a commitment to a program of continuous improvement, and where possible, will offer an upgraded product or solution to facilitate the transition.

Recipients of this Banlaw End-of-Life Notice may redistribute this document to their customers. Alternatively visit www.banlaw.com to view the entire list of Banlaw End-of-Life Notices.

This Product End-of-Life Notice has been created to announce the cessation of the manufacture and after sales support for **Banlaw's 800 Series FuelTrack Receivers – BFT Series.**

The models and spare parts listed below will no longer be available to reorder from the specified dates.

Regions affected: Global

Declaration	Definition	Date
End-of-Life Announcement	Product-End-Of Life Notice is distributed via email to customers and displayed on the Banlaw website.	9th November, 2026
Discontinued Date	The date Banlaw ceases normal production of the product. After this date, the product may still be available for purchase subject to remaining inventory, refurbished units, component availability, or limited production runs. Availability is not guaranteed.	4th December, 2026
Replacement Pre-Order Date	The date Banlaw will allow customers to pre-order replacement product.	4th December, 2026
End-of-Life Date	The final date on which Banlaw will provide manufacturing, spare parts, repair, or maintenance support for the product. After this date, only limited support may be available, subject to parts and resource availability.	1st April, 2027
End of Support Date	The final date on which Banlaw will provide technical support, repairs, service, warranty assistance, or spare parts for the product. After this date, the product will be considered obsolete and no longer supported by Banlaw.	4th December, 2027
